

PRINCE

Our 7 person Prince is our best selling compact all seated spa.

We guarantee the Prince is perfect for the whole family, no matter how small or tall, there is a seat for everyone. With a combination of powerful massage therapy seats the Prince has the unique benefit of contoured seating.

Loaded with high volume, sophisticated jets the Prince accommodate 5 luxurious hydrotherapy seats and 2 higher cool down seats. Everyone can relax in a Prince spa with just the right amount of pressure and without diverting water from other seats.
